PUNCAK- The Raider Infantry Battalion 323/Buaya Putih Kostrad, is part of the Indonesian Armed Forces Operational Command (KOOPS TNI) in Papua, which conducts mobile security at the border of Indonesia and Papua New Guinea, especially in the Puncak Regency area, Papua Tengah Province. On Thursday, 1

August 2024, the 323 Task Forces, especially the Gome Post led by First Lieutenant Galang, visited the Agiyome Village, Gome District, and conducted Social Services during the area security activities.

On the orders of the 323 Task Forces Commander, Lieutenant Colonel Tri Wiratno, 1LT Galang planned and prepared for Patrol and Social Services in the Agiyome Village. The Soldiers used the Social Services for communication and interactions with the residents to observe the area's current updates. The presence of TNI Soldiers was welcomed happily by the residents who had the opportunity to meet face to face.

By prioritizing security during activities, harmonious interactions between TNI Soldiers and residents have resulted in a close relationship between the two parties. To increase familiarity, the Soldiers distributed packages of basic necessities and conducted health services needed by the residents of Agiyome Village. The community members were very enthusiastic to welcome the presence and the help from the 323 Task Forces. One of them, Mama Elisabeth Sondegau, expressed her impression, "Praise God, we received the help from Bapak-Bapak Tentara (Army Soldiers). Thank you Commander 323. God bless."

"The initiative of the 323 Task Forces to distribute packages of basic necessities and to conduct health services in the Agiyome Village, are the TNI's effort to provide services for the basic necessities of the community, to support the acceleration of development in the Papua region," said the KOOPS TNI Commanding General, Brigadier General Lucky Avianto, upon receiving the program report.
